

# FRIDAY NEWS<sub>22/2/2019</sub>

## Welcome to another edition of Friday News.

The weather has been improving all week to end in beautiful sunshine and clear blue skies 😊 To think this time last year we were getting ready for 'The Beast From The East' and the snow it brought with it.

Please can I remind you all to make sure your children's indoor and outdoor clothes are labelled with their name. It is very often that children have the same or similar items and it is easy to get them mixed up if they are not named. Thank you in advance 😊

## Dates For Your Diary

**Tuesday 5<sup>th</sup> March –  
Pancake Day**

**Thursday 7<sup>th</sup> March -  
World Book Day**

**Friday 15<sup>th</sup> March -  
Red Nose Day/Wearing Red/Red  
themed activities**

This week the children have been very helpful by helping clean out the garden sheds and clearing them all of our old toys and finding the toys we want to start to use now the nicer weather is coming. The children also cleaned the Green House in Forest school and will be getting ready to plant the first seeds of the year. This has helped the children with their Understanding the World development in understanding how to look after and care for items in their environment.

The children also made a life sized skeleton which they have stuck the bones on and talked about how our bodies are made up of bones, skin, blood and muscles and how our bodies work. This supported the children's Understanding the World also with exploring how different things, including people are made and stay healthy.

This week in our water tray we have had cornflour, which the children have enjoyed seeing the different textures and shapes this creates. To end the week the children had a wonderful time participating in flour play in the creative room and all became flour angels making shapes of all different assortments on the creative room floor. This has supported the children's expressive arts and design development through exploring different textures and what marks can be made with different resources.
