

FRIDAY NEWS_{02/08/2019}

Welcome to another edition of Friday News.

Happy Friday to you all, after the record-breaking heat wave, this week has been a lot more tolerable allowing the kids to spend more time outdoors in the garden. But We still make sure that they have plenty of sun cream and hat on before they go out. We also keep ice lolly in our menu this week to enjoy the summer fully.

Dates For Your Diary

Thursday 1 August – Cheryl, The staff currently on maternity leave, gave birth to a healthy boy yesterday.

Congratulations!

Tuesday 6th August – Teresa (cook) going on holiday

Thursday 8th August – Bubble Fun Day

This week in Oak class we focused on music, playing with instruments which some of the children brought in, and making up rhymes to test the children's language skills. We also had a special treat with Adeer, who kindly sang with the guitar brought by one of the children to encouraging them to participate vocally and physically.

On Wednesday we had Messy Play Day which is always a lot of fun for the kids and staff. They played with baked beans, shaving foam, jelly, flour, sand and water. As well as being joyful to watch, this sort of activity is designed to stimulate the children's senses and develop their knowledge and experience of different textures.

Teresa, our much beloved cook will be going on holiday from next Tuesday. She will be visiting her home in Sicily for which we wish her a good well-deserved break. The job of cooking for the nursery however falls to myself and the rest of the staff. We have all been well prepared by Teresa to meet any and all eventualities in the kitchen. While we won't be following the usual menu next week, rest assured the children won't starve, we have Sausage & Mash, Chilli Con Carne, Pizza, Cous-Cous, Lasagne and some delightful Cottage Pie for them to enjoy.

Yesterday, the much-anticipated furniture for the Baby Room arrived. More than sixty items to be arranged into the three main learning areas, physical; personal social and emotional development; and communication, language and literacy. Please, feel free to drop by and have a look next week.

Our Mission is:

To ensure that every child feels cared for, is stimulated and nurtured to be the best they can, encouraging children to enjoy their time at pre-school and learn something new constantly whilst giving parents peace of mind that their children are safe, stimulated and developing when in our care.
