

Friday News 8th November 2019

This week ELM class have been exploring instruments and the sounds they make, from small sounds to big sounds. Also they have been exploring books and textures within the books.

Can I ask parents to make sure babies have a good warm coats and a couple of sets of spare clothes as the weather has got very chilly and babies will still access the garden. Thank you for your help with this in advance.

In Oak this week we have been exploring textures and patterns, we discussed the colours we have seen at firework displays and the noises too. 'Boom, Bang, Crash. Whizzz' were some of the words the children used to describe these noises. We then chose colours of paint that we had seen in the fireworks to create our firework pictures, exploring patterns and textures we created with different brushes. As we have really enjoyed textures we then explored Gloup (a mixture of corn flour and water) we made patterns and mark made in this making a good mess. Which the children also heled to clean up working as a team to decided who was going to clean what item.

Please could I ask that children have warm winter coats and hats, gloves etc. as now the weather is getting colder, along with a few sets of spare clothes as we still have water play. Thank you for your help with this.
