

Walton Montessori Nursery Newsletter

(29/11/19)

Oak Class

We have been learning about planets and specifically Saturn and how it is 2D and 3D - we made a model to add to our growing Solar System. We have also made a rocket which we have also really enjoyed imagining ourselves going to space in! We have also been drawing self-portraits of ourselves and some of our teachers.

We have started to learn and practise some Christmas songs that we would like to sing for you at our Christmas Party and are getting excited about the prospect of Father Christmas coming to visit us all very soon. We have started to create lots of festive pictures to display around the nursery.

Elm Class

This week we have been getting messy with arts and crafts, in particular we enjoyed decorating stars and then learning about washing our hands after getting messy - it was great fun using our hands to splash in the water.

We have also been getting vocal and active, we really enjoyed singing and learning some actions to songs, our favourite is the Wheels On the Bus song.

We have also shown a keen interest in looking at books, both on our own and during story time with our teachers.

Important Reminders.... Builders are currently working onsite, they will endeavour to create as little noise and disruption as possible but please bear in mind in case of extra vehicles around and about.

We have some nasty tummy bugs going around - please remember if your child shows any symptoms they should be kept away from nursery until they have been symptom free for 48 hrs. Thank you for your support with this.

Please have a look at your child's photo proof and place any orders online - there are more photos to view online so please do have a look, they make such nice presents for family and friends at this time of year!

Don't Forget...

Children's Christmas party 2pm - 4.30 pm Friday 13th December – We hope you can all make it!

Dancing, party games, party food, and special performance of our Christmas songs medley at

3.45 pm.

Don't Miss it!
