### Oak Class

This week we had very exciting visitor – a lady called Lauren came to see us, she is from a company called Theatre bugs and she will be starting to visit us on a weekly basis very soon. We sang songs, did dances, did exercises, it was so much fun! We have also spent time in the garden, discussing the weather and really hoping it wouldn't rain! We have been completing obstacle courses with stepping stones and practising our balancing skills.

## Elm Class

Elm Class also had a visit from Theatre Bugs. Our class was about Butterflies and Caterpillars, we sang songs, joined in with actions, played with instruments and puppets, it was amazing! But best of all were the bubbles!! We also enjoyed using

toy animals to do some printing with bright paints and in the water tray.

Our mission for 2020 is to invite everyone nationwide to Share A Million Stories and spread the love of books and reading for pleasure, both in school and at home.

It's a campaign to help change children's lives and make story sharing a habit of a lifetime – we're encouraging the nation to help us share and record online over a million stories throughout World Book Day month.

Sharing a story is being read to or reading with an adult, sibling, friend – or pet for a minimum of 10 minutes. Ideally, this takes place at any time throughout the day, from breakfast till bedtime – at the breakfast table, on the bus, in the bath, or in bed.

There are LOTS of brilliant booky prizes up for grabs **every week**, from £1,000 of books for schools, to National Book Tokens or an exclusive print by World Book Day illustrator, Rob Biddulph.

A chart for you to record the stories you have shared is in your child's tray.
