### Oak Class

Wow, this week has been so much fun, it has flown past! We have been taking part in lots of group games with our friends, learning about turn taking, co-operation and how sometimes 4 or 6 hands working together make tasks easier to complete. We had a great Theatre bugs class on Monday, where we practised singing and moving with the teacher, Lauren. Throughout the week we have been dressing up as characters from our favourite books for World Book Day, amongst others there has been: Superman, Mr Tumble, Princesses, Hulk, Spiderman, dinosaurs, pirates, always amazing girl, and Woody. The children also decided that Adeer needed a costume so made him his very own Buzz Lightyear wings! We also started to explore our boxes, it was great to learn about what is important to each of us and what things were contained in our own "Treasure Boxes". Towards the end of the week we were very excited to see and use our brand new room – we are so happy and have so many new things to explore.

## Elm Class

We have also had a busy week in Elm room. We have been welcoming our new friends Oliver and Lucas, they are a bit smaller than most of us and we have been showing them the ropes and how to have fun on the climbing frame without hurting themselves! We also explored balloons, they move up and down and bounce all around – very similar to bubbles! We have also been looking at books and some of us dressed up for World Book day – Livia dressed up to as the Hungry Caterpillar. Towards the end of the week we had some of the older children join us to play whilst they were waiting to enter their new room – it was fun to share our room with our bigger friends for a short while, but we are glad to have some peace and quiet now they have moved in to their new room!!

**Exciting News!!-** Some of Oak Class completed poems entitled ALL ABOUT ME for a competition designed to introduce children to poetry by a company called Young Writers. We are delighted to inform you that all the children who chose to write a poem have been selected to appear in their book that is to be published in April 2020. The children will receive a certificate and our nursery will receive a complimentary book and parents will be able to order them if they wish. In order for your child's poem to be published there is letter that needs to be signed and returned to nursery by Wednesday 11<sup>th</sup> March – apologies for the quick turnaround we have only just received notification. Please collect your certificate and letter from the feedback table when you collect your child. Well done to all the children that entered – it is a great achievement.

### Quick reminders:

- Please can we request that if you haven't brought in your family photos to go on our family tree we would really appreciate if you could send or bring them asap
- Please can we ask if every child can make a “ box of Treasure” to bring to nursery next week – a small box – no bigger than a shoebox with 3 items of “treasure” that the children would like to show their friends and discuss during circle time – it would be lovely if the children were very creative and could decorate their treasure box also. 😊

We value and appreciate our strong relationships with parents and guardians. Thank you all for your continuous support. We have an open-door policy and would welcome any comments and suggestions

Thank you, Jane, Maria and Walton staff team.
