Welcome Back everyone

Oak Class

This week we have had a lot of fun Building 'Robots, Trucks & Buildings' thinking about what we would use and how it would look and work. We have really been enjoying working as a team to do these fantastic designs, then at circle times talking to all our friends in our 'bubbles' about what we have created.

Circle times have been fun outside in the garden, we have been discussing who will be leaving us to go to school and who are going to be the 'Big' children in Oak class when they go. Everyone is excited about their next move and is the topic every circle time, it is great to see all children excited and chatting about this.

Some of us have been doing lots of maths, counting and exploring numerals.

Also, we have celebrated Abby's 4th birthday, we sang Happy Birthday and we all had a piece of yummy birthday cake too.

Elm Class

This week we have been designing wall art, textures, and shapes as we have been really interested in our 'circles, squares and star' shapes. Our designs are now on the wall and we are learning to say all the shape names.

We also have been looking at textures around Elm class, we found soft and hard things. Shapes we found also and worked together to put these onto rods building towers.

In the garden we have been exploring bats and balls and having a go at hitting the ball with the bats laughing as we did this. In the cars we have been saying 'bye' as we speed of around the garden then when we see our teacher we say 'hello' great social and communication skills.
