## *Welcome Back everyone*

### Oak Class

We have been learning our new routine, when we first come into nursery, we have our temperature taken, then we must go and wash our hands. We have become experts at washing our hands! We have also been learning about our 'Bubble' of friends.

At Forest school, we have been busy making den's and organising and talking about how we would like to make our mud kitchen better. We discussed lots of ways and as a team worked out the best ideas, the mud kitchen area is now looking great. Well done everyone.

Also, we have had some fun circle times talking about what we have been up to at home and what we have missed at nursery. All children have been very chatty, and the nursery is full of laughter and it is great to see some of you back.

## Elm Class

Elm Class have enjoyed seeing each other again lots of smiling and chatter also in Elm room. Lots of interaction has been happening in the role play area from cooking to sharing in the kitchen area. We also have spent lots of time in the garden playing in the sandpit digging and filling and emptying pots and buckets.
