

# Walton Montessori Nursery Newsletter

(10/07/2020)

## Oak Class

This week we have celebrated Jack and olive's birthdays and they are now big 4-year olds! We have been learning to make books, and now know that books have a beginning, middle and end. We also learnt about author's and illustrator's and what they do.

We have also been very creative with paints, making patterns with our hands and making prints of our hands and comparing the shape and different sizes!

Sadly, we had to say farewell to Dominic as he gets ready to go off to school, we wish him lots of luck and are sure he will excel at school and hope he comes back to visit us in the holidays!

## Elm Class

This week in Elm class we have been having lots of fun, we have particularly enjoyed playing making amazing music with the musical instruments and moving our bodies in time with music. We did lots of water play with cups, pouring water out of the cups and refilling them was lots of fun and apparently this is early science and maths – who knew!! We also did some animal printing and enjoyed lining up the animals – I think Georgie is trying to get the animals to practise social distancing!

**Important Reminders.....** please make sure you bring a bag with sets of labelled clothes for your children, these will remain at nursery. If any clothes are sent home remember to replace them. We will be putting a lost property box in the porch area for you to have a look and hopefully reunite some items with their owners!

Please can we remind all parents of children who are leaving us for school in September, you are required to give a month's notice so that we know which date will be your child's last day. Please could you also let us know which school your child will be going to, as legally we must pass on their EYFS File to their new teacher.

Just so that you are aware: Adeer, Holly & Saiba are still furloughed at this moment in time, we hope they will return very soon. Jane B is back on Tues, Weds, & Thurs.

**Tapestry:** Please kindly activate your login details and check your children's profiles which are updated regularly. Kindly add any home observations and pictures of recent travel or trips to show parent partnerships. This learning portfolio will be shared with your child's future school.

We value and appreciate our strong relationships with parents and guardians. Thank you all for your continuous support. We have an open-door policy and would welcome any comments and suggestions.

Thank you, Jane, Maria, and Walton staff team.
