## Oak Class

We have had a busy week in Oak class, we have been thinking about and trying to follow our golden rules, we know them all very well, but occasionally do need reminding to use our walking feet when we are inside, maybe you could help us by reminding us to do this at home as well! We enjoyed painting, using our fingers, and then using cotton wool buds, it was great to see the different effects we can make, and the paint felt very smooth on our fingers! We have also been discussing how we can use physical play to make our muscles grow really big and strong, we have been finding out that if we work together as a team we are stronger and sometimes to do the things we want to do, like lift something heavy it is easier to work together and help each other. We have been very friendly and welcomed Evie, a new friend who has joined us this week. We are also saying farewell to Jack and Charlie who are off to big school – good luck guys, you will be great.

## Elm Class

In Elm class this week we have been helping our new friends explore the room, our lovely garden areas and learn our routine. We enjoyed washing our hands before mealtimes, it was fun to splash in the water! We have been getting very physical in the garden, using the slide, rocking horse and some of us even worked out that we could use the balance blocks to push our cars along. We also spent some time using our construction toys and connecting things together to make big towers, before pushing them over and making our teachers jump with the loud noises it made. That was fun! We also had lots of fun pretending to push our babies in their buggies, just like mummy and daddy do!

We have been sending out emails regarding our new App, Family we will begin to use in September, please do have a look at this email and explore the app, we think it will be a really great way for us to communicate with one another.

We really appreciate all your feedback and would really appreciate if you could spend a couple of minutes completing an online review at [www.daynurseries.co.uk](http://www.daynurseries.co.uk). We believe that parents when looking for Nurseries much prefer independent reviews from current/previous parents as they can be sure they are receiving a completely honest account of how the nursery operates and find out areas of potential strengths and weaknesses from people who have experienced it first-hand. If you are able to complete a review we would be so grateful and really appreciate the feedback (positive and not so positive!), to complete the review you just need to go to the website, search for Walton Montessori Nursery and select the complete review button. The team love reading the reviews and gives us a great boost, so thank you in advance!

Please make sure you bring a bag with sets of labelled clothes for your children, these will remain at nursery. If any clothes are sent home remember to replace them. We will be putting a lost property box in the porch area for you to have a look and hopefully reunite some items with their owners!

We value and appreciate our strong relationships with parents and guardians. Thank you all for your continuous support. We have an open-door policy and would welcome any

comments and suggestions.

Thank you, Jane, Maria, and Walton staff team.
