## Oak Class

This week we have been cooling down in the garden, we have enjoyed paddling, sliding up and down the water slide and learning why we must wear a hat and put sun cream on to protect us from the heat. We did laugh lots when we got wet and even cheekily splashed our teachers!

We have been looking at 3D shapes and learning their names, we then played a game where we had to find things that are these shapes. It was great fun.

We have also been blowing bubbles in soapy water, this has helped us to build muscles and will help support our muscle for talking. The bubbles we blew were huge!

We also made a train that was going to go to the moon, we pretended we were fire people who had to save the moon!! We have asked our teachers to order some spray bottles so that we can pretend to be spraying water on our pretend fires. We are sad to be saying farewell to Jackson as he leaves us to go camping before starting big school – you will be amazing!

## Elm Class

This week in Elm class we have tried to stay nice and cool as it has been very hot. We wondered and discovered what happens when we put our feet in the water tray, it was lovely and cool! Some of us also worked out that if we squeeze behind furniture or stretch really tall, we might be able to find the block we have dropped or reach things we shouldn't be reaching!! We also played chasing each other behind the bushes in the garden, it was great fun hiding from our friends and teachers! We have also spent some time listening to music and singing some nursery rhymes. We would also like to welcome Sendu who has joined us in Elm clas this week.

Please ensure you send your child in with a sunhat so they can have fun and learn outside in this lovely sunny weather.

We really appreciate all your feedback and would really appreciate if you could spend a couple of minutes completing an online review at [www.daynurseries.co.uk](http://www.daynurseries.co.uk). We believe that parents when looking for Nurseries much prefer independent reviews from current/previous parents as they can be sure they are receiving a completely honest account of how the nursery operates and find out areas of potential strengths and weaknesses from people who have experienced it first-hand. If you are able to complete a review we would be so grateful and really appreciate the feedback (positive and not so positive!), to complete the review you just need to go to the website, search for Walton Montessori Nursery and select the complete review button. The team love reading the reviews and gives us a great boost, so thank you in advance!

Please make sure you bring a bag with sets of labelled clothes for your children, these will remain at nursery. If any clothes are sent home remember to replace them. We will be putting a lost property box in the porch area for you to have a look and hopefully reunite some items with their owners!

Please can we request that you complete a paragraph on your child's report that has been emailed to you and email them back to us and then we can add them to tapestry. Please note if your child joined us after April they will not have a report this term and will receive their first report next term.

Just so that you are aware: Holly is still furloughed at this moment in time, we hope she will return very soon. Jane B is back on Tues, Weds, & Thurs.

**Tapestry:** Please kindly activate your login details and check your children's profiles which are updated regularly. Kindly add any home observations and pictures of recent travel or trips to show parent partnerships. This learning portfolio will be shared with your child's future school.

We value and appreciate our strong relationships with parents and guardians. Thank you all for your continuous support. We have an open-door policy and would welcome any comments and suggestions.

Thank you, Jane, Maria, and Walton staff team.
