Oak Class

We would like to welcome Darcie and Georgina to Oak class

They have been exploring the room and getting to know everyone!

At forest school we decided to go on a 'Bug Hunt' we thought about where the bugs might be living, we decided that they like to live in cold, damp places. We then went looking as a team and Charlie made a magic potion to help with finding them. We found woodlice, spiders, slugs, and snails.

Shapes have been looked at this week, we have talked about different shapes and how each shape can be slightly different by size but is still called the same.

In the garden we have been making a reading area, we looked at the stage area and decided to make it a forest reading literacy area, we worked together to clean and design this area. Look what we have done!!

Elm Class

In Elm we have playing 'peek a Boo' which you could hear the children laughing and being friendly. They have been sorting bricks and working together to do this. Lot's of social interaction has been happening and everyone is getting to know each other while having lots of fun!

Important Reminders..... please make sure you bring a bag with sets of labelled clothes for your children, these will remain at nursery. If any clothes are sent home remember to replace them. We will be putting a lost property box in the porch area for you to have a look and hopefully reunite some items with their owners!

Please can we remind all parents of children who are leaving us for school in September, you are required to give a month's notice so that we know which date will be your child's last day. Please could you also let us know which school your child will be going to, as legally we must pass on their EYFS File to their new teacher.

Just so that you are aware: Holly & Saiba are still furloughed at this moment in time, we hope they will return very soon. Jane B is back on Tues, Weds, & Thurs.

Tapestry: Please kindly activate your login details and check your children's profiles which are updated regularly. Kindly add any home observations and pictures of recent travel or trips to show parent partnerships. This learning portfolio will be shared with your child's future school.

We value and appreciate our strong relationships with parents and guardians. Thank you all for your continuous support. We have an open-door policy and would welcome any comments and suggestions.

Thank you, Jane, Maria, and Walton staff team.
