Oak Class

This week we have welcomed Emily and Jack into Oak class!

We have been busy building this week, but we thought about what we would build before we started, talking

about what we would use and how it would look, exploring our ideas and ability to think ahead, expressing our ideas!! We also have been playing a sharing game learning to take turns and listen to each other as we played!! We also have been learning how to pronounce the names of dinosaurs 'even the teachers learnt these names too'

In the garden we have been learning about taking care of babies, 'which we found they needed a lot of taking care of'

Also we became super hero's as hero's are the best to look after everyone!! (great role play and communication skills)

Elm Class

In Elm we have been exploring sounds, listening to the sounds, sharing, and dancing together.

We have been exploring the garden and the toys, we have been able to make decisions and choose what we would like to play with.

We have been exploring textures and marks we make this week, mixing water and paint. We also have been making marks using our feet and

paint!

We have been sending out emails for our new App Family we will begin to use in September, please have a look at this email and explore this App

Please ensure you send your child in with a sunhat so they can have fun and learn outside in this lovely sunny weather.

We really appreciate all your feedback and would really appreciate if you could spend a couple of minutes completing an online review at www.daynurseries.co.uk. We believe that parents when looking for Nurseries much prefer independent reviews from current/previous parents as they can be sure they are receiving a completely honest account of how the nursery operates and find out areas of potential strengths and weaknesses from people who have experienced it first-hand. If you are able to complete a review we would be so grateful and really appreciate the feedback (positive and not so positive!), to complete the review you just need to go to the website, search for Walton Montessori Nursery and select the complete review button. The team love reading the reviews and gives us a great boost, so thank you in advance!

Please make sure you bring a bag with sets of labelled clothes for your children, these will remain at nursery. If any clothes are sent home remember to replace them. We will be putting a lost property box in the porch area for you to have a look and hopefully reunite some items with their owners!

Please can we request that you complete a paragraph on your child's report that has been emailed to you and email them back to us and then we can add them to tapestry. Please note if your child joined us after April they will not have a report this term and will receive their first report next term.

Just so that you are aware: Holly is still furloughed at this moment in time, we hope she will return very soon. Jane B is back on Tues, Weds, & Thurs.

Tapestry: Please kindly activate your login details and check your children's profiles which are updated regularly. Kindly add any home observations and pictures of recent travel or trips to show parent partnerships. This learning portfolio will be shared with your child's future school.

We value and appreciate our strong relationships with parents and guardians. Thank you all for your continuous support. We have an open-door policy and would welcome any comments and suggestions.

Thank you, Jane, Maria, and Walton staff team.
