## Oak Class

This week we have said Goodbye to Abby and Noah, as they move onto their next adventures and learning at school!

We are going to miss them lots!

We have been very imaginative in the role play area making the kitchen into a rocket ship and going to the moon, lots of smoke went off as we took off.

We then made a spaceship with Adeer's help, out of boxes talking about the shapes and size we would need and use.

Math's has been a topic this week we also have been naming shapes and learning how they are formed. Along with making a number line with bunting for our garden.

Since we upgraded the stage area in the garden children have gone to this area and have been reading stories to each other as well as teachers reading them.

We celebrated Jaime's 4<sup>th</sup> Birthday today, we talked about how much he has learnt in the four years, from walking to eating to talking.

'Happy 4<sup>th</sup> Birthday Jaime '

## Elm Class

We have welcomed Theo into our room this week and have had many new children come for visits too. We have loved making new friends!

In Elm room this week we have explored water by splashing and pouring using cups. We have been supporting and learning core skills for balance and special awareness too, by building with our large wooden blocks and then balancing along them, we did not fall off!! We have worked and shared as a team to roll balls down the ramp to each other and having a go at taking turns. Along with pushing toys around negotiating space and toes!

**Important Reminders.....** please make sure you bring a bag with sets of labelled clothes for your children, these will remain at nursery. If any clothes are sent home remember to replace them. We will be putting a lost property box in the porch area for you to have a look and hopefully reunite some items with their owners!

Please can we remind all parents of children who are leaving us for school in September, you are required to give a month's notice so that we know which date will be your child's last day. Please could you also let us know which school your child will be going to, as legally we must pass on their EYFS File to their new teacher.

Just so that you are aware: Holly & Saiba are still furloughed at this moment in time, we hope they will return very soon. Jane B is back on Tues, Weds, & Thurs.

**Tapestry:** Please kindly activate your login details and check your children's profiles which are updated regularly. Kindly add any home observations and pictures of recent travel or trips to show parent partnerships. This learning portfolio will be shared with your child's future school.

We value and appreciate our strong relationships with parents and guardians. Thank you all for your continuous support. We have an open-door policy and would welcome any comments and suggestions.

Thank you, Jane, Maria, and Walton staff team.
