Oak Class

This week we have been looking at patterns and how and why they occur, we practiced making patterns using our pincer grip, and co-operatively working as a team to thread laces, we took turns and made a pattern going over, under and through. It was lots of fun.

We have also have been discussing fires and firefighters, how fires are safely made for things like camping trips and forest school and the dangers that fire can cause and how we must be very careful and safe, we discussed the colours that you see in flames and how flames move, some of us designed our own fire pictures, we have also really enjoyed dressing up and putting out emergency fires. We have had lots of new friends join us for visits this week and have made them all feel very welcome. Big hello to Daniele, Jack, Emily, and Christiano!

We have also said goodbye to some friends, who have left us to start their next adventure into big school – we will miss you all, Shiloh, Yusef, Max and Vaughn.

Elm Class

In Elm class this week we have been very physical, we enjoyed rolling the sensory bottles and throwing balls on the grass when the teachers have been saying “ready, steady, go”. We enjoyed climbing up and down the slide (the correct way!) and rolling and balancing the hoola hoops, we also began to understand the difference between pushing and pulling the toy cars. We have welcomed some new friends, so a big hello and welcome to Noah, Nell and Xander, we are very glad to have new friends to join us.

We have been sending out emails regarding our new App, Family we will begin to use in September, please do have a look at this email and explore the app, we think it will be a really great way for us to communicate with one another.

Please ensure you send your child in with a sunhat and wellies so they can have fun and learn outside in this lovely sunny/rainy weather.

We really appreciate all your feedback and would really appreciate if you could spend a couple of minutes completing an online review at www.daynurseries.co.uk. We believe that parents when looking for Nurseries much prefer independent reviews from current/previous parents as they can be sure they are receiving a completely honest account of how the nursery operates and find out areas of potential strengths and weaknesses from people who have experienced it first-hand. If you are able to complete a review we would be so grateful and really appreciate the feedback (positive and not so positive!), to complete the review you just need to go to the website, search for Walton Montessori Nursery and select the complete review button. The team love reading the reviews and gives us a great boost, so thank you in advance!

Please make sure you bring a bag with sets of labelled clothes for your children, these will remain at nursery. If any clothes are sent home remember to replace them. We will be putting a lost property box in the porch area for you to have a look and hopefully reunite some items with their owners!

Just so that you are aware: Holly is still furloughed at this moment in time, we hope she will return very soon. Jane B is back on Tues, Weds, & Thurs.

Tapestry: Please kindly activate your login details and check your children's profiles which are updated regularly. Kindly add any home observations and pictures of recent travel or trips to show parent partnerships. This learning portfolio will be shared with your child's future school.

We value and appreciate our strong relationships with parents and guardians. Thank you all for your continuous support. We have an open-door policy and would welcome any comments and suggestions.

Thank you, Jane, Maria, and Walton staff team.
