Oak Class

This week we have become very involved in making and constructing buildings, we have made our own Walton Village out of junk modelling. It was interesting to discover what buildings the children believed we should have in our village, we had houses, shops, a swimming pool, fire station, airport, castle with pet dragon and even a village pub! We have also been finding out about different cultures and communities that people in our village belong to, this also helped us to understand and celebrate Eid and we practised saying Eid Mubarak which means blessed day. We also celebrated Charlie's 4th Birthday with a chocolate caterpillar cake – it was yummy! We have also been looking at numbers and science, magnets and how they work. Some of the children also made some amazing representations of pictures of things they were wearing on their clothes.

Elm Class

This week in Elm class we have had lots of fun things happening, we have enjoyed making animal footprints with some bright coloured paints, trying to master putting on our shoes independently, practising washing our hands with soap and water and using our listening ears at circle time. As we have recently had new friends join us, we are all getting to know one another and making new friendships.

We really appreciate all your feedback and would really appreciate if you could spend a couple of minutes completing an online review at www.daynurseries.co.uk. We believe that parents when looking for Nurseries much prefer independent reviews from current/previous parents as they can be sure they are receiving a completely honest account of how the nursery operates and find out areas of potential strengths and weaknesses from people who have experienced it first-hand. If you are able to complete a review we would be so grateful and really appreciate the feedback (positive and not so positive!), to complete the review you just need to go to the website, search for Walton Montessori Nursery and select the complete review button. The team love reading the reviews and gives us a great boost, so thank you in advance!

Please make sure you bring a bag with sets of labelled clothes for your children, these will remain at nursery. If any clothes are sent home remember to replace them. We will be putting a lost property box in the porch area for you to have a look and hopefully reunite some items with their owners!

Please can we request that you complete a paragraph on your child's report that has been emailed to you and email them back to us and then we can add them to tapestry. Please note if your child joined us after April they will not have a report this term and will receive their first report next term.

Just so that you are aware: Holly is still furloughed at this moment in time, we hope she will return very soon. Jane B is back on Tues, Weds, & Thurs.

Tapestry: Please kindly activate your login details and check your children's profiles which are updated regularly. Kindly add any home observations and pictures of recent travel or trips to show parent partnerships. This learning portfolio will be shared with your child's future school.

We value and appreciate our strong relationships with parents and guardians. Thank you all for your continuous support. We have an open-door policy and would welcome any comments and suggestions.

Thank you, Jane, Maria, and Walton staff team.
