Oak Class

This week we have been exploring our emotions, we have been listening to the story of the colour monster and how he has different colours for different moods, from 'yellow' for happy to 'brown' for scared. We have even had a visit from the colour monster, and everyone has really looked after him I believe he was very happy! So we have also started to explore Autumn and how the leaves are changing colour, thank you if you have been on a treasure walk to collect Autumn items, we will continue to look at these next week. The leaves and the colour monster have made us creative we have made an Autumn colour monster using leaves we have found at forest school and the garden. The slime has been fun exploring texture and how this felt when we touched it, lots of lovely expressive words have been used great communication skills! Numbers have also been a focus counting items then finding the numeral that goes with this great maths development.

Elm Class

This week we have been talking and showing the babies how to use kind hands as well as helping each other. In the garden we all took turn holding hands to help our friends get to certain objects they were interested in. We had lots of fun doing this and learnt lessons to support our social skills.

We had an amazing time at forest school. We collected lots of Autumn leaves around the area and placed them into pot and pans, making magic potions. We were developing our hand and eye coordination, grasp and fine motor skills. We have mixed with a range of tools and poured our mixtures into different sized containers. Everyone played nicely, showing good sharing skills and helping one another out.

Please can we remind all parents that in line with our Covid policy, children should not be attending nursery if they require Calpol, as it can mask some of the symptoms of Covid and we need to ensure if a child is poorly that we are quickly and fully aware of their symptoms to ensure we are safeguarding everyone.

Please make sure you bring a bag with sets of labelled clothes for your children, these will remain at nursery. If any clothes are sent home remember to replace them. We have put a lost property box in the porch area for you to have a look and hopefully reunite some items with their owners!

We value and appreciate our strong relationships with parents and guardians. Thank you all for your continuous support. We have an open-door policy and would welcome any comments and suggestions.

Thank you, Taralyn, Maria, and Walton staff team.
