

Oak Class

Oak class have been going on a hunt at Forest School, collecting leaves, sticks and any interesting items they could find, to make Owls for our Autumn display, along with painting hedgehogs using forks!! (Great practice for our fine motor skills). I will be sending out bags for you and your children to collect items on your walks to bring in and explore at circle time very soon. Since we really liked doing the Owl collages at Forest School, we have also been making collages indoors, we got very sticky and creative! Since completing our Elmer's last week we have also explored colours by doing an experiment with coffee filters and dropping colours on to them to see what new colour we could make.

Elm Class

We have been exploring Forest School too, climbing up the steps to our tree house, playing peek-a-boo, digging, and mixing in the mud kitchen and getting really dirty exploring all the textures and mark making. We even had a go at using the wheelbarrow and learnt how hard it was to move it to where we wanted it to go which was very funny. Inside we have been mark making using large crayons while listening to music to support our creative play and building our fine motor skills. In circle times we have been talking about 'Our Emotions' and have been making faces of these from sad to happy faces which we will use for our Emotions board.

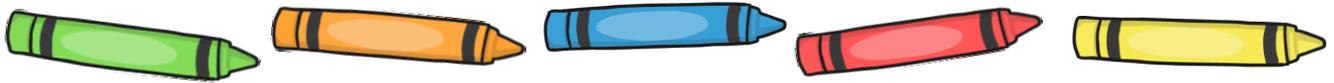

Sad!

Surprised!

Happy!

Please can we remind all parents that in line with our Covid policy, children should not be attending nursery if they require Calpol, as it can mask some of the symptoms of Covid and we need to ensure if a child is poorly that we are quickly and fully aware of their symptoms to ensure we are safeguarding everyone.

Please make sure you bring a bag with sets of labelled clothes for your children, these will remain at nursery. If any clothes are sent home remember to replace them. We have put a lost property box in the porch area for you to have a look and hopefully reunite some items with their owners!

We value and appreciate our strong relationships with parents and guardians. Thank you all for your continuous support. We have an open-door policy and would welcome any comments and suggestions.

Thank you, Maria, and Walton staff team.
