

Oak Class

This week we have been explorers, looking at all the items we have found from our garden and from Autumn walks, children have had with you. We discussed names of things, learnt how and why leaves fall from trees and change colour. We have talked about trees a lot and have also made our very own trees, thinking about texture and colour of them through the seasons, for our Forest School display. We have also been mathematicians too, selecting leaves and putting them in size order then having a go at printing them on paper in size order. With this interest of sizes, we have been also working with the Montessori rods measuring these and putting them into size order also.

Elm Class

Elm class have been explorers to, we had a smelling activity with the babies. We explored the different textures of the orange peel and smelling the peels. They babies were able to take turn. Developing their communicating skills as well as developing single words such as soft, rough, orange

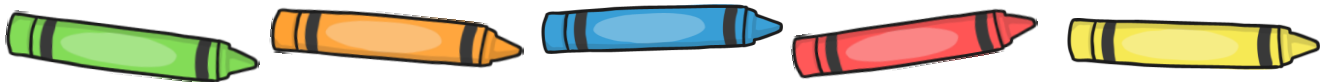

We had a lot of giggles with the sensory activity while listening to pop music. The babies were very engaged within this activity, exploring the texture and smell while developing their hand and eye contact ordination as well as their motor skills. The babies really enjoyed picking up the shaving foam with their hands, while pointing to their facial features. They had shaving foam on their nose, ears and hair! They had it everywhere even on the teachers! We loved dancing around listening to the music while waving the shaving foam everywhere around the room

Please can we remind all parents that in line with our Covid policy, children should not be attending nursery if they require Calpol, as it can mask some of the symptoms of Covid and we need to ensure if a child is poorly that we are quickly and fully aware of their symptoms to ensure we are safeguarding everyone.

Please make sure you bring a bag with sets of labelled clothes for your children, these will remain at nursery. If any clothes are sent home remember to replace them. We have put a lost property box in the porch area for you to have a look and hopefully reunite some items with their owners!

We value and appreciate our strong relationships with parents and guardians. Thank you all for your continuous support. We have an open-door policy and would welcome any comments and suggestions.

Thank you, Taralyn, Maria, and Walton staff team.
